

Arbeitsleuchte Multimatch

Strong, battery operated, LED work light for painting, polishing, cleaning and preparation work. Due to the special LED, which has a high CRI value, is perfect for colour matching during painting. Ideal for displaying holograms (after polishing processes) and to improve the polishing quality (reduce expensive reworking). Very long lasting LED. Dust and waterproof (IP67). The work lamp Multimatch can be used both with the charging cable attached, and wirelessly with battery (up to 6 hours). 2.14 kg.
