

Powder Star

Cleaning powder

Highly effective, high foaming cleaning powder based on phosphates that is careful on surfaces for self-service carwashes and high-pressure appliances with powder dosing devices. The combination of high-quality special surfactants and complexing agents loosens even stubborn dirt, such as insects, bird droppings and environmental dirt extremely quickly. Powder Star is characterised by its good flowability and quick dissolving. With an intensive, pleasant fragrance. VDA conform to class A: reaction time max. 5 min, max. application concentration 1:100.
